<p>On 28 May 08 at 1900 hrs. R/I responded to Mt. Sinai Hospital 1500 S. California Chicago, IL... Per Sgt. Dillon R/I interviewed deputies that were injured in a fight that occurred in courtroom 307 of the Criminal Courts Building.</p> <p>On 28 May 08 at 1900 hrs R/I interviewed D/S Todd Ramos #2065 Emp#464660 who stated in summary and not verbatim that he was assigned to courtroom 307 when a not guilty verdict caused the victims family to become upset. D/S Merryweather and D/S Quinlin escorted the defendant's family out of the building and D/S Ramos and D/S Woods remained with the victim's family inside the courtroom. Upon waiting to hear from D/S Quinlin that he was clear of the building with the defendants family, D/S Ramos states the victims family (now know as the Browns) became unruly. D/S Ramos and D/S Woods repeatedly instructed the victim's family that they could leave in a few minutes once the defendant's family cleared the building. D/S Ramos then states a M/B and older F/B tried leaving the courtroom yelling Fuck You, Fuck Yourself, You ain't telling us what we can do, I'm grown. When another M/B approached D/S Woods swinging and waving his hands saying you ain't telling us shit, telling other family members let's go. When and older F/B white top/ tan pants/thin build was yelling to family "let's go" an older F/B told D/S Ramos don't worry about this I'll take care of this these are my boys. When 2 M/B's in the back row of the gallery, one in a white shirt, one in a green shirt said their just doin there jobs, another M/B jumped up and said " my meters up I'm leaving". D/S Ramos and Woods still instructed the family to remain in the room when the F/B with the white top and tan pants went around D/S Ramos and the M/B that was swinging his hands and yelling pushed and struck D/S Woods with a closed fist while trying to exit the courtroom. D/S Ramos and Woods then grabbed the M/B's arms and a struggle ensued where said deputies and M/B then fell back through glass doors of the courtroom gallery, spitted at D/S Ramos, bounced for the states attorneys table to the public defenders table when Judge Ford came out of his chambers and helped detain M/B on the south side of gallery. D/S Ramos then looks into the courtroom and said it was up for grabs. The he noticed the M/B who said his meter was up charging a white shirt/supervisor. D/S Ramos tackles the M/B goes through the entrance doors of the courtroom and hits the wall in the hallway, flips M/B over and realized M/B is already cuffed and just must have been trying to flee the area. M/B is still on the ground in the hallway fighting and squirming trying to get away still when other D/S's grabbed him and D/S Ramos looked into the courtroom and seen no more fighting but a lot of yelling and screaming. D/S Ramos states the M/B with the white jacket/ corn rolls/ goat tee was the one who spit at him. D/S Ramos was treated at Mt. Sinai Hospital for a back injury by Dr. Singh Amarjit and wishes to sign complaints. Nothing further.</p>
